☞ The publication of the Captions of the Acts of the late General Assembly, and the Revenue Law, exclude our usual variety this week.

The Captions, we know, are hardly worth the space they occupy, but the Revenue Law, though unpopular, is of importance to our readers, and we would advise them to preserve this copy of the paper for future reference.

COUNTY CONVENTIONS.

We have been requested to state that there will be a meeting held at the Court House in Winston, on the 7th of May, for the purpose of nominating candidates, and appointing delegates to a District Convention.

We have also been requested to state that there will be a similar meeting in Danbury, Stokes County, on the 30th of April.

☞ Last week we published the Address issued by the Conservative members of the Legislature. The address has met the approval of every anti-Radical paper in the State, and the Radical journals do not find anything in it to condemn.—Whatever differences may have existed among the Conservative papers, the address seems to have reconciled them. All the opposition to radicalism can stand on the broad platform of principles laid down, without sacrificing principle or feeling. It is the very thing to harmonize all the elements of opposition into one grand phalanx of determined people. It is the platform for the campaign.

☞ We saw two Northern gentlemen in this City last week who were looking out for a large body of Land on which to locate a colony of Northern people.—They have the means to purchase, and when the location is effected they propose to erect Dwellings, Store Houses, Factories and a Church. We learn that about 200 families are ready to come as soon as the proper arrangements are made.—*Charlotte Democrat.*

We would like to see a similar visit to our section. It is well known that we have lands suitable for the culture of Grain, Tobacco, Grapes, and Fruits of various kinds, besides, the climate is mild and healthy. Good and pure water abounds and most of the land is susceptible of great improvement by a judicious mode of culture, such as a rotation of crops, turning in green crops, &c., &c.

Those who desire a pleasant, quiet home, with unsurpassed educational facilities, cannot find a better section of country.

In this connection, we are pleased to state that the disposition of planting orchards of fruit trees is extensively gaining ground in this vicinity, and we hope in a few years, to see the most cheering results from this investment.

A neighboring nurseryman recently informed us that he had disposed of his entire stock of young fruit trees, and felt encouraged to increase his business as rapidly as possible.

Several gentlemen of this town have planted a large number of Quince twigs, with the purpose of giving this valuable fruit a fair trial. Other parties have planted extensive vineyards, which will become productive in a few years. Bee culture is also beginning to attract much attention, so that we have, truly, quite a cheering prospect before us. Let not high taxes and unfavorable legislation discourage us too much, but, minding our own affairs, "put our shoulders to the wheel," determined to succeed, despite all the difficulties thrown in our way.

Fifty families recently sailed from New York, supplied with agricultural implements, seeds, and a number of horses, for the new settlement in Eastern North Carolina.

Business is rather dull in town, as our country friends are all busy on their farms, working away energetically.

We notice the new dwelling erected by Mr. Howard on Poplar street is occupied, and we learn other buildings will be erected on the same street during the summer.

A new Planing Machine will soon be in operation at the Saw Mill, opposite the Tanyard; and it is rumored that another Planing Machine will be in operation during the summer.

Preparations are observable at other points on Main street for material improvements.

In Winston, several new buildings will be erected during the summer, and a large Tobacco Factory is on the eve of commencing operations. Both towns seem to be "alive and kicking."

New motto for merchants—

Late to bed, and early to rise,
Never get tight, and advertise.

TAX LISTING.—The Trustees of South Fork Township will attend at Thomas Spaugh's, April 25th & 26th; at Benjamin Hampton's, April 27th; and at Jno. M. Stafford's, April 28th and 29th, for the purpose of listing the taxable property for the year ending April, 1870.

☞ It will be seen, by advertisement in this paper, when and where the listing for this township will take place.

☞ Gen. Robert E. Lee, accompanied by his daughter, passed through this State, via Raleigh, Greensboro, Salisbury and Charlotte, on his way to Florida for the benefit of his health, last week. Numerous citizens greeted him at various stations along the route, which honor he pleasantly acknowledged.

At Charlotte, he appeared on the platform of the car, and with tears trickling down his cheeks, said: "I am glad to see my fellow citizens."

FIRE COMPANY.—We are pleased to notice that the young men of our town seem determined to avail themselves of the liberal inducements offered by the town Commissioners for the formation of an efficient Fire Department.

NATIONAL BANKS.—The Comptroller of the National Treasury at Washington, is authorized by law to call on the National Banks for reports of their condition, at any time he pleases, so that the Banks may be taken unawares, and thus expose mal-administration, if any should exist.—Of course, all well regulated institutions are always ready for an investigation and can show their condition at any time.

We publish this week the report of the First National Bank of Salem, and it will be seen that it is in a healthy condition. Its officers are good financiers, gentlemanly and accommodating.

☞ John Hicks, of Stokes County, was killed last week, at a wood-chopping, by a tree which had lodged, falling on his head.

N. C. AGRICULTURAL SOCIETY.—The Executive Committee of this society is called upon to meet in the office of the Society in Raleigh on the 20th of April, for the transaction of important business. The President also asks a conference with the Executive Committee of County Agricultural Societies at the same time.

Gunn and Young, the murderers of Blaylock, were hung in Hillsboro' last week.

Important Decisions.

The U. S. Supreme Court has just made an important decision in a confiscation case which occurred during the war, to the effect that the sale of property under the confiscation Act of Congress only confers title during the life-time of its original owner. The case is briefly stated by the following dispatch:

WASHINGTON, March 28.—In Bigelow vs. De Forrest to obtain possession of land sold under confiscation. The present suit is brought by the heirs of the former owner. The case comes from Virginia on application to remove it from the State to the Federal Court. The Supreme Court decides that the law of 1863 provides only for personal and not for real estate cases; but on the merits of the case, says that the sale under confiscation affects the title only during the life of the owner, upon whose death the title devolves as though there had been no confiscation sales.

The court decided in a case from Kentucky that States may tax shares in National Banks as distinct from the bank's capital, and that the tax levied by States on stockholders may be collected from the banks by garnishee. Chief Justice dissented.

Bible Society.

On Easter Monday, April 18th, at 10 o'clock, the annual meeting of the SALEM BIBLE ASSOCIATION will be held. The American Bible Society, to which this association is auxiliary, is engaged in offering to every family in the whole country a bible at the lowest price, or, if unable to buy, as a donation. This work commends itself to every christian.—There is nothing sectarian or denominational in it. Every family in Forsyth County should have a bible. It is believed that many families are without it, and that the expense of supplying them will be considerable. Let all the churches then unite in making an effort to accomplish the object. If possible, the subject will be brought to the notice of every church, to assist in doing a work, the benefit of which must strike every one who wishes well to his neighbor. All who take an interest in the matter are most earnestly invited to attend.

M. E. GRUNERT, *Secretary.*

Sunday School Meeting.

The annual meeting of the Forsyth County Sunday School Union, which was to have been held on Saturday, March 26th, was postponed on account of bad weather, and will take place on Saturday, April 16th, at 1 o'clock, P. M.

All Sunday Schools which now are, or desire to be connected with our Union, should be represented by some of the Officers.

A cordial invitation is hereby extended to all.

E. A. VOGLER, Pres't.
Salem, N. C., April 6, 1870.

ROBESON.—The *Robesonian* speaks most despondently of the condition of affairs in that county, and says, that unless the people are protected from the murderers and robbers that infest the county, they will have to "protect themselves by the means which God and nature have put in their power."

From Washington.

Commissioner Delano decides that in assigning a tobacco manufacturer on the penal excess of his bond when he commences manufacturing after a part of the year has elapsed, the assessment should be made *pro rata* for the unexpired portion of the special tax year. In response to the application of manufacturers of snuff to be allowed to repack their snuff in old jars, the Commissioners decided that "no box, vessel or other enclosure can be used a second time for putting up manufactured tobacco, snuff or cigars, however thoroughly and complete the stamps may have been removed therefrom.

U. S. Congress.

The Utah Polygamy Bill has passed the House by a vote of 94 to 32, shorn of its objectionable features. Its principal provisions are that any man in Utah, who shall, after this act goes into effect, live or cohabit with one woman or more other than his lawful wife or wives, shall be adjudged guilty of the crime of concubinage, and upon conviction thereof, shall be punished by a fine not exceeding one thousand dollars, and by imprisonment in the penitentiary at hard labor not exceeding five years, and in all prosecutions for the violation of this section the alleged concubines of the accused shall be competent witness to establish or disprove the charge. The section empowering the President to send 10,000 troops to Utah to suppress Mormonism was voted down.

The Reconstruction Committee referred the case of Shober, member elected from North Carolina, to the Election Committee.

The law abolishing the Freedmen's Bureau has passed the lower House of Congress. The remaining duties resting upon the officers of this Bureau, together with all the property, are to be transferred to the officers of the Bureau of Education.

WASHINGTON, April 4.—The following passed the House under a suspension of the rules: "Elections shall be held in all the States on the second Tuesday after the first Monday in November, 1872, for the election of Representatives to the 43d Congress, and the election shall be held on the same day in every second year thereafter for members of Congress, to take their seats on the succeeding fourth of March. In cases of failure to select, the vacancy shall be filled by a special election to be held under the authority of the several States. The present is the 41st Congress.

The 15th Amendment.

The 15th Amendment to the Constitution of the United States, conferring the right to vote and hold office on colored persons in every State of the Union, has been adopted by the requisite number of States, and President Grant has issued a proclamation to that effect.

"The President's Message says it is usual to notify Congress by message of the ratification of constitutional amendments. In view, however, of the vast importance of the 15th amendment, this day declared a part of that revered instrument a departure from the usual custom is justifiable. A measure which makes four million of people voters who were heretofore declared by the highest judicial tribunals not citizens—not eligible—now become so, is a measure of grander importance than any one act since the foundation of our free government.

The President calls upon the newly enfranchised class to ever make themselves worthy of their new privileges, and urges the whites to withhold no legal privileges of advancement to the new citizens. He quotes from Washington on the importance of intelligence and education, and calls upon Congress to promote and encourage popular education, and upon all the people everywere to see that all who possess political rights shall have an opportunity to acquire that knowledge which shall make their share in the government a blessing instead of a danger. By such means only can the benefit contemplated by this amendment be secured."

The Injunction Case Decided by Underwood in Favor of Chahoon.

RICHMOND, March 30.—The argument in the injunction case of Chahoon against Ellyson closed in the U. S. Circuit Court to-day, Ex-Governor Wise making the closing speech. He denied in strong terms any affiliation with the black republican party, claimed to be still an unrepentant rebel, and did not want his position misunderstood because he appeared as counsel for a republican client.

Chahoon's counsel claimed that the court has jurisdiction in the case, because Chahoon as a provisional appointee is a United States officer, and not to go out of office until a regular election by the people.

Ellyson's counsel claimed that the admission of the State terminated the powers of all provisional officers.

The decision affects all the offices in the State, which are nearly all filled by military appointees, who will remain in till July 6th. The decision is given in favor of Chahoon.

On the 1st inst., Ellyson and Chahoon continued to exercise the duties of Mayor; the matter was taken into the State Courts by Ellyson, and Judge Welford, of the Circuit Court granted a *mandamus* and issued an injunction restraining Chahoon from exercising the duties of Mayor.

On the 5th, it appears the city troubles will at last go to the United States Supreme Court, on a motion by Ellyson and others to dissolve the injunction, and will be heard on Tuesday next in Washington by Chief Justice Chase in chambers.

INDIAN MURDERS.—Six murders by Indians are reported from Atlantic City, Wyoming Teritory. A resident of the place was killed in the outskirts of the town, and a party who went in pursuit of the savages brought back the bodies of five whites found dead near the Indian trail and shockingly mutilated. Four others are missing, and are believed to have been butchered by the savages. A stage coach overdue at South Pass City, and containing Paymaster Gen. Alvord, Major Russell, and others are supposed to have been attacked also. The Indians in that vicinity were sent there by General Augur, and were believed to be peaceful.

LORILLARD'S "RURKA" SMOKING TOBACCO is an excellent article of granulated Virginia; wherever introduced it is universally admired. It is put up in handsome muslin bags, in which orders for Meerschaum pipes are daily packed.

LORILLARD'S YACHT CLUB SMOKING TOBACCO classed by all who consume it as the "finest of all;" it is made of the choicest leaf grown; it is anti-nervous in its effects, as the Nicotine has been extracted; it leaves no disagreeable taste after smoking; it is very mild, light in color and weight, hence one pound will last as long as 2 of ordinary tobacco. In this brand we also pack orders every day for first quality Meerschaum Pipes. Try it and convince yourself it is all it claims to be, "THE FINEST OF ALL."

LORILLARD'S CENTURY CHEWING TOBACCO. This brand of Fine Cut Chewing Tobacco has no equal or superior anywhere. It is without doubt the best chewing tobacco in the country.

LORILLARD'S SNUFFS have now been in general use in the United States over 110 years, and still acknowledged to be "the best" wherever used.

Trip Lightly.

Trip lightly over trouble,
Trip lightly over wrong;
We only make grief double
By dwelling on it long.
Why clasp woe's hands so tightly?
Why sigh o'er blossoms dead?
Why cling to forms unsightly?
Why not seek joys instead?

Trip lightly over sorrow,
Though all the day be dark;
The sun may shine to-morrow,
And gaily sing the lark;
Fair hope has not departed,
Though life's roses may have fled,
Then never be down-hearted,
But look for joys instead.

Trip lightly over sickness,
Stand not to rail at doom;
We've pearls to bring to sadness
On this side of the tomb;
While stars are nightly shining,
And heaven is overhead,
Encourage not repining,
But look for joys instead.

DOTY'S WASHING MACHINE.

LATELY MUCH IMPROVED—AND THE NEW

UNIVERSAL CLOTHES WRINGER

Improved with ROWELL'S PATENT DOUBLE COG WHEELS, and the PATENT STOP, are now unquestionably far superior to any apparatus for washing clothes ever invented, and will save their cost twice a year, by saving labor and clothes.

Those who have used them give testimony as follows:

"We like our machine much; could not be persuaded to do without it, and with the aid of Doty, we feel that we are masters of the position."—*Rev. L. Scott, Bishop M. E. Church.*

"It is worth one dollar a week in any family."—*N. Y. Tribune.*

"In the laundry of my house there is perpetual thanksgiving on Mondays for the invention.'—*Rev. Theodore L. Cuyler.*

"Every week has given it a stronger hold upon the affections of the inmates of my family."—*N. Y. Observer.*

"I heartily commend it to economists of time, money, and contentment."—*Rev. Dr. Bellows.*

"Friend Doty—Your last improvement of your Washing Machine is a complete success.—I assure you 'our Machine' after a year's use, is thought more of, to-day than ever, and would not be parted with under any circumstances."—*Solon Robinson.*

"Your Washing Machine has been in daily use in our laundry, and the housekeeper expresses herself as highly pleased with it. It certainly accomplishes a greater amount of work, with less labor, and does not wear the clothes near so much as the old fashioned washboard. By using it, one laundress is dispensed with."—*Wm. M. F. Round, Superintendent of Infant's Department of St. Catharine's Nursery, N Y. City.*

PRICES.---A Fair Offer.

Send the retail price, Washer, $14, Extra Wringer, $9, and we will forward either or both machines, free of freight, to places where no one is selling; and so sure are we they will be liked, that we agree to refund the money if any one wishes to return the machines, free of freight, after a month's trial, according to directions.

No husband, father or brother should *permit* the drudgery of washing with the hands, fifty-two days in the year, when it can be done better, more expeditiously, with less labor, and no injury to the garments, by a Doty Clothes Washer and Universal Wringer.

Canvassers with exclusive right of sale make money fast selling them.

Sold by dealers generally, to whom liberal discounts are made.
